BONE CREEK

MUSEUM OF AGRARIAN ART

Dear Friend,

In 2016, Bone Creek continued to impress with reviews like: "**Corn** is a must-see show; it breaks away from the common bucolic rural art form while retaining the dominant voice, determined attitude, and rugged style of life lived with hands in the soil." -Josephine Fatima Martins for Art Move Magazine, Lincoln.

This next year, we aim to continue our reputation of exceptional exhibitions and programming that celebrates the theme: The Agrarian Life, The Good Life, in connection with Nebraska's 150th anniversary. Bone Creek's mission is to connect people to the land through art. This annual fund drive supports all activities of the museum including exhibitions, educational programs for children and adults, and preserving the collection.

I want to thank you for your past support and ask you to please consider a year-end contribution that will preserve our heritage, protect our treasures, and educate and inspire future generations.

Sincerely, Your Bone Creek Board of Directors and Staff
