### Agrarian Art is Art of the Land

Bone Creek provides high-quality fine art experiences that are unique among museums.

### Distinction in Nebraska

The museum industry repeatedly recognizes Bone Creek for its excellence. Memorials, planned giving, and gifts of art are important additional ways to help us continue to excel.

### Excellence in Our Community

Partnerships with local schools, 4-H clubs, art clubs, the local library and the Butler Co. Arts Council serve hundreds of students and patrons each year.

### The Nation's Only Exclusively Agrarian Art Museum

Bone Creek leadership has a passion for instilling in youth a love and appreciation for agriculture and a rural way of life.
